The 10 & Under Youth Tennis Progression Pathway System

The USTA now uses a Progression System for children ages 7-10 through which they earn virtual stars and trophies by participating in tournaments and Junior Team Tennis. The order of progression begins with the "Orange Ball Format level 2" that leads to the "Orange 1 level", and finally to the "Green Ball Format level 1." Please visit the A's & Aces homepage (www.AsAndAces.org) for detailed information about this . Progress through this Pathway is now required by the USTA for eligibility to enter 12 & U tournaments prior to age 11. Children ages 8 and under can participate in 8 & under Red Ball Format tournaments until ready for Orange Ball Format.
